Friday, 21 August

Special Activities

14:00 – 18:00 **H 104**

Mathematical Software

Chair: Winfried Neun, ZIB, Berlin, Germany

In this session, a broad spectrum of mathematical software including symbolic and numerical systems as well as interfaces and problem solutions will be presented. Details of the presentations can be found on the ICM'98 web server at URL http://elib.zib.de/ICM98/MathSoftware .

14:00 – 14:30 **John H. Maddocks** and **Randy C. Paffenroth,** EPF Lausanne, Switzerland
VBM

14:40 – 15:10 **Horst G. Zimmer et. al.,** Universität Saarbrücken, Germany
SIMATH

15:15 – 15:45 **Karim Belabas,** Université Paris–Sud, Orsay, France
PARI / GP

15:45 – 16:15 **Break**

16:15 – 16:45 **Christian Wieners et. al.,** Universität Stuttgart, Germany
UG

16:50 – 17:20 **Elias Deeba,** University of Houston–Downtown, Texas, USA
Learning Linear Algebra Using an Interactive Text

17:30 – 18:00 **David M. Gay** and **Robert Fourer,** Murray Hill, N.J., USA
AMPL

19:30 – 21:00 **H 104**

Events and policies: Effects on women in mathematics

Panel discussion organized by women from the Association for Women in Mathematics (AWM), the European Women in Mathematics (EWM), and the Committee on Women and Mathematics of the European Mathematical Society

21:15 – 22:00 **H 104**

Women and mathematics across cultures

Film, directed by Marjatta Näätänen (Helsinki, Finland) in collaboration with Bodil Branner (Lyngby, Denmark), Kari Hag (Trondheim, Norway), and Caroline Series (Warwick, UK)
